## Did you know...

...that Matthew Scutter is competing with Alan Barnes in the Two Seater 20 Meter World Gliding Championships in the Czech Republic 27 July – 11 August 2018.

...- that the freezer has been cleaned out. Some items in there were 10 years!! Please make sure everything you put in the freezer is named and dated, otherwise it may be thrown away.

... We've also have a visit from a Cessna 310 and from an interstate pilot in an RV8 last week.

## Outside Toilet Block Taps.

Your dedicated team at the ASC have just finished replacing all of the tap washers in the hand basins of the outside toilets. Please try not to screw them into the ground when turning them off 😊

## A visitor!

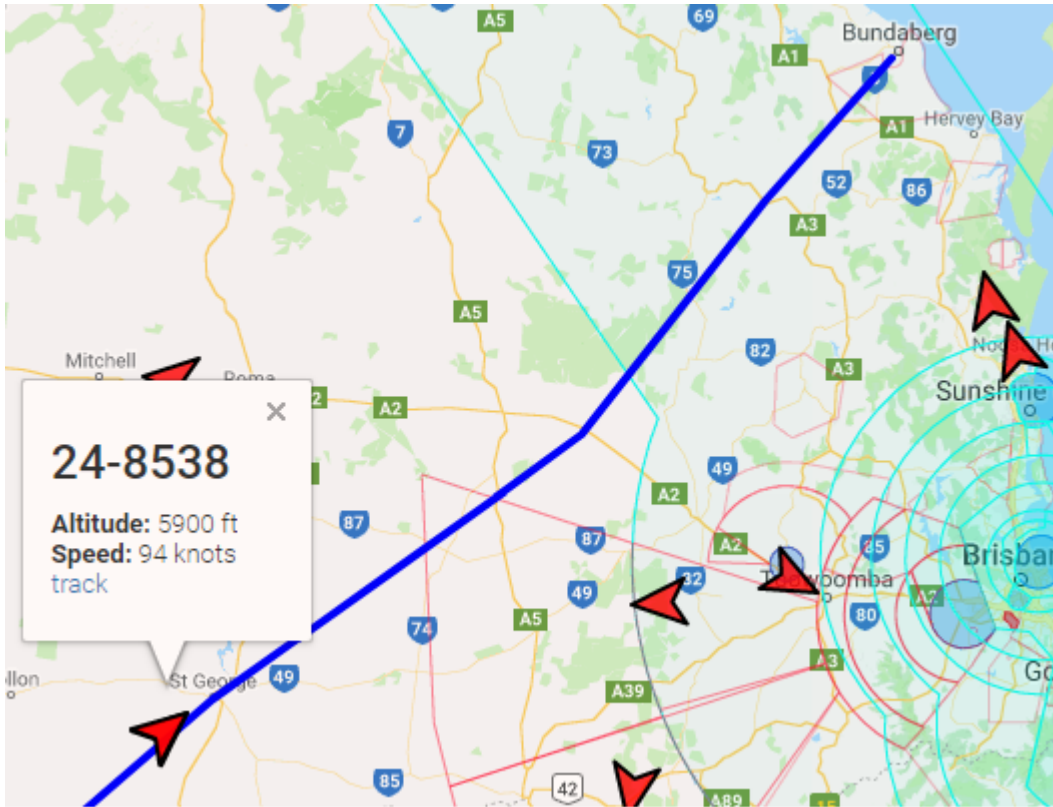

This flew in to pick up some fuel on Monday - it's 4 days old and in transit from NSW to WA via the coast. Cruises comfortably at 75 knots but can cruise up to 100.

## RAA Aus Seminar

The recent RAAus Seminar / Forum that was held at Gawler went really well. Lots of great questions / answers and everyone learnt a lot. We had Jill, Darren and Phillip come from RAAus. We are lucky to have a very professional team within RAAus working for us members. Sincere thanks to the ASC members who worked hard to make this forum a reality.  
Scott Crew

8538 has been returned to Bundaberg for a few months to fix up the Gel Coat. Karl and Colin fly her back and this image is from them in transit on Monday this week. Here are some photos...

## Please shut the gate

Please remember to shut the gate if you are the last person leaving the airfield of an evening.
