*Electronic news from the Adelaide Soaring Club*

**Number 16/2018**

**20th November 2018**

Hi and welcome to our latest ASC e-News.

## Christmas Dinner

Another great ASC night with sincere thanks to our cooks and everyone who helped out.

Everyone had a terrific night as the smiles in this photo testify!

## Dual Aerotowing

Frank Johann has kindly organised a dual Aerotowing day for this Sunday 25th November.

If you want to be involved as either a tug pilot or glider pilot please register on the ASC Gliding Register asap. Tug pilots need to contact ASC Tug Master Steve Pegler ([spegler@bigpond.net.au](mailto:spegler@bigpond.net.au)) to register their interest.

Starting time will be 10.30 sharp for the briefing, followed by flying provided the weather treats us kindly.

## Eco Friendly ASC

We have had the many of the club lights changed over to LED, to save power, as part of the 'rees scheme' for free. They are a bit brighter. In the photo below, the closest fluro has been changed over, the ones in the kitchen have not yet, for a comparison.

Many thanks to Scott and his crew for working on this project.

## Worth a look!!

One of ASC's members is a reporter for Channel 9 and he recently did a story on gliding for the national Today show. Please follow this link to see Tom MacLean's full story.

## From Jabiru

Hi Everyone!

Are you interested to learn more information about our latest Generation 4 Engine models (2200 & 3300) and see one for yourself? Well here is your chance!

We are asking for your 'Expressions of Interest' to hold a 2 day Introduction Briefing on the Generation 4 Engine to be held here at our factory in Bundaberg, Queensland.

### **TOPICS COVERED WILL BE:-**

Manufacturing of major components

QA Processes

Assembly

Run-in Test Rig

Basic Maintenance

Answering General Questions

The 2 day briefing, we are proposing at this stage will be held mid March 2019.

Cost to attend the 2 Day session will be \$100.

Travel, accommodation & meal expenses are to be met by the attendee.

If you are interested in attending the session proposed please Register your 'Expression of Interest' to [sonyah@jabiru.net.au](mailto:sonyah@jabiru.net.au) with your name and contact details by 31<sup>st</sup> December 2018.

If enough interest is received in this open day we will finalise a date and let you know!

*Happy Flying!*

## Around the Airfield

Andrew Dansie first Solo with Instructor Colin Drew

Christian Brini is congratulated by Instructor Peter Phillips on his first solo.

Like drinking a bottle of Grange Hermitage, Christian had another (excellent solo flight) immediately after.

Vlad taking ASC Member Hillary for a gliding instruction flight. Hillary is working to become a Cathy Pilot - some of you may know her...she did a Bachelor of Av Deg with UniSA.

## Adelaide Soaring Club Flying Scholarship Programs 2018 - 2019

Members are advised that a new Gliding Flying Scholarship program will commence beginning in December 2018 and concluding in December 2019

This new program has a principal aim of supporting existing members of the ASC in the first instance, with a view to supporting the acquisition of new gliding flying skills and knowledge and thus ongoing participation and membership of the club.

It will also be open to new and young members who have recently joined the club, in a similar vane to the previous Scholarship program, which is due to conclude in December 2018.

Members of any age, who may be interested in gaining access to this program should register their interest with Peter Sadler – Coordinator of the ASC Scholarship Program. Mobile: 0435936950. Email: [peter.sadler50@gmail.com](mailto:peter.sadler50@gmail.com)

In doing so, please provide a broad outline of your intentions and how a scholarship would support them.

Formal Application documents will be forwarded in due course containing:

- More detail in relation to the Scholarship Program, particularly the opening and closing dates for Applications.
- Relevant criteria considered.
- Applications review and allocation processes.

Members are also advised that another gliding scholarship program under the auspices of the former Air force Cadets Association, will be advertised in due course via the ASC E News and ASC Website.

In essence, this program will be available to Air Force Cadets and those who have been in the cadets in the last six years.

This program will also be managed by the ASC Scholarship Group.
